Boys' Wash Suits from 50c to 2.50 Boys Wash Suits from 50c to 2.2.50 They come in reash lines, satin duck, fine twill duck, in a big vange of styles, including the little "Man-of-War" style with long trossers. We have never offered such values as this enables us to give. We have sall sizes from 50c to.......2.50

Men's Two-Piece Worsted Suits \$10 This line is made from beautiful improred worsteds, every inch of this cloth is excellent quality and includes the new browns, olives and groys in the stripe and bar effects. A complete range in all the new styles and all sizes. Extra \$10

#### \$10 Men's Two Piece Suits \$6.95

These are besuffally made Two-Piece Sciis, in the new light Oxford tweeds, single-breasted with two or these buttons on cast, belt steps and cuffs on trousers cost half lined, beauffully stallered and finished. We are proud of this line at \$10, and no no better value any place at \$10. Think, then, of the immuse 6.95 saving when we offer them this week at 6.95

Our Suits at \$6 Handsome single and double-breasted mod-els, finished with all the latest style kinks: particularly fine suits for the young fellows. Worth 88 to \$10.

Our Suits at \$7.50 The tailorings, licings, and finishings of these suits are equal to those of much higher prices. Made in fine domestic tweeds in the popular light and dark colors, also fancy scripes and broken checks, all sizes 36 to 44.

Black and Blue Suits \$10 Made in fine black and blue worsteds and betany twills in both single and double-breased atyles. The linings are of fine unball, In cutting these suits, our cutters have cut them in both conservative and slightly ultra-fashionable models, lo suit men of all tastes. Sizes are here from 36 to 44.

#### Our Suits at \$10

Made from the latest tweeds and fancy worst-eds in a large variety of up-to-date patterns, and finished with every little style detail wanted by the fashionable dressers. The linings wanted by the fashionable dresses. The limings and trimmings are of the very first quality, and we are sure this suit will please every man who sees it. Sizes 36 to 44.

#### Our Suits at \$12.50

All the style features that have been introduced by the best American cutters for this season are embodied in this suit. It is made in blue and black worsteds, serges, eashwarers and botany twills, in both single and double-breasted models. We feel confident that these suits cannot be duplicated anywhere

#### Our Suits at \$15

These suits have been designed to our special order. There is not one point about the suit that we think any man who really knows good talloring can take exception to. As well as the standard blues and black materials. As well as the standard blues and black mater-late, we have had it make up in all the fancy effects that are popular this season. Made in the most extreme as well as conserctive models. Every size is here for every figure, and satis-faction is guaranteed with every suit.

#### MEN'S STRAW HATS

They are all stylish 1909 shapes and worth considerably more than we paid for them. These hats are on sale now in our hat department, and if you are in time this week 1.00

### Wellington Street Bridge Closed

His Worship Mayor Begg Has Been Notified to this Effect

Mr. R. Adams Davey, resident en-gineer of the Trent Valley Canal de-partment has forwarded the follow-ing communication to His Worship

To the Mayor and Countil of Lind-

Gentlemen.—Herewith I beg to se-tily you that the Wellington Streat bridge will not be opesed for the purpose of navigation until the new structure is built, and that the pre-sent bridge will be reopened for ord-inary thems about moon to-morrow,

be 19th tost.
Threshing machines and all heavy
chicles are not to cross the struc-Yours truly.

R. ADAMS DAVEY, It might be stated that the eagli-eer of the department has been wratching this bridge, which is in such an umsed condition that it is such an umsed condition that it is decidably risky to swing it. There-fore in the interests of the public it was decided to close it to nawigation until the new structure is built, which may may in the Post some time ago,

their engerness to get it going,
started to pump before it was conactain with the result that one of The hust)ing little village of Little the castings was broken and the engine was rendered pusiess. The citizens of Lindsay who had relatives and close friends reciding in the dre swept district lost no time when the news of the configranearly a dozen places of business and residences before it was under con-

HOW IT STARTED

About four o'clock in the afternoon a fire was found in the roof of Mr. Robinson's black smith and tarriage

scon There was a stiff breeze blowing from the south east at the time and in a remarkably short period the structure was a secthing furnace.

THIS PIRES SCREADS

The building was on the west side of King Street and less time than it takes to tall it the fire licket was to take the fire and residences land already failure and the capture of the fame the brare amend all out give up wait limp had conjucted out the set stropped the fare.

This pires screen was an advantage of the fire and the fire

PROULE FOUGHT VALLANTLY.

The villagers organized throught brigades and fought like Trojans to stom the tide of the forty element.

Others bravely record as much of the contents of the burning buildings as they could and only pave up the glot when the finness drove them back. This women too, worked like Ammacos and irreddered yecomm ser-In most cases nearly all the furni-tured was saved in the residences destroyed, but some of the conteats was badly damaged in the removing. The stocks in the different business
